**COMPLAINT  
JURY TRIAL DEMANDED**

---

**NOW COME** Plaintiffs, by and through undersigned counsel, to allege and say as follows:

**INTRODUCTION**

1. Hedingham is a neighborhood nestled in northeastern Raleigh. For years, Hedingham has been plagued with an alarming amount of criminal activity, earning it the nickname “Hoodingham” from its residents.
2. Despite complaints by residents about mounting criminal activity and lack of security, crime continued to increase at Hedingham, until it culminated in a tragic mass shooting.

3. On October 13, 2022, a known dangerous resident in the neighborhood set off on a violent rampage that led to the death and serious injury of numerous people.
4. The shooter, Austin Thompson, was a known outcast and problem in the neighborhood, who had been involved in altercations with other residents.
5. On October 13, 2022, Austin Thompson was allowed to “leisurely stroll” through the neighborhood, dressed in camo, armed with a long-barrel shotgun, a handgun, and a hunting knife, shooting-to-kill anyone who crossed his path.
6. As a result of the shooting, Nicole Connors-Howard, Susan Butler Karnatz, Mary Marshall, and Officer Gabriel Torres were killed.

Nicole Connors-Howard

Susan Butler Karnatz

7. Miraculously, and through the heroic efforts of emergency medical personnel, Marcille Lynn Gardner—who spent nearly 100 days in the hospital—and Officer Casey Joseph Clark survived, despite suffering permanent and disabling injuries.

## BACKGROUND INFORMATION

8. At the time of the shooting, Defendants Hedingham Community Association, H.R.W. Inc. (“H.R.W”), Capitol Special Police, LLC, Roy Taylor (“Taylor”), and Nicole Locke (“Locke”), collectively owned, operated, managed, controlled or were responsible for safety and security of Hedingham—a neighborhood located in Raleigh, North Carolina, where Nicole Connors-Howard, Susan Butler Karnatz, Mary Marshall, and Officer Gabriel Torres were killed; and where Marcille Lynn Gardner and Officer Casey Joseph Clark suffered serious and permanent injuries.

### Prior Criminal Incidents

9. Though tragic, the events that culminated in Raleigh’s deadliest mass shooting were all but unforeseeable. Prior to October 13, 2022, Defendants Hedingham Community Association, H.R.W., Capitol Special Police, Taylor, and Locke, had actual or constructive knowledge of criminal activity at Hedingham.<sup>1</sup>
10. Notably, the list of thousands of crimes in Exhibit 2 do not account for those incidents that preceded June 2014, nor those incidents that went unreported. That is, these numbers represent *the minimum*, not total, criminal activity originating from Hedingham—in reality, the crime picture at Hedingham is even worse.
11. The data corroborates the concerns and fears of residents prior to the deadly shootings:
  - a. In 2021, Hedingham residents woke up to the news of the cut-up body of a young woman stuffed in a suitcase in the Neuse River Greenway. The Neuse River Greenway runs adjacent to Hedingham. The suitcase with the body were found a little over mile where the mass shooting began on October 13, 2022.
  - b. Between January 2022 and October 2022, the date of the mass shooting, Hedingham was affected by 491 acts of criminal violence within or in its immediate vicinity.<sup>2</sup>

### Google Reviews

12. All this crime was not lost on Defendants Hedingham Community Association, H.R.W., Capitol Special Police, Taylor, and Locke. Hedingham’s own Google reviews warn:

*“Absolutely the **WORST** place to live. My house was broken into...they want me to s[t]ay somewhere with my two kids that **isn’t safe at all... They do not care about your safety at all !!!**”*

---

<sup>1</sup> Exhibit 2. All crime data exhibits for the Hedingham neighborhood were conducted using the National Incident-Based Reporting System and were limited to a 2-mile radius from the 5000 block of Sahalee Way. Exhibit 2 was limited to those dates between June 2014 and October 13, 2022. The Exhibit is 88 pages totaling 3,832 crimes within or in the immediate vicinity of Hedingham.

<sup>2</sup> Exhibit 1. The exhibit shows crime data between January 1, 2022, and October 13, 2022. The Exhibit is 12 pages totaling 491 crimes within or in the immediate vicinity of Hedingham.

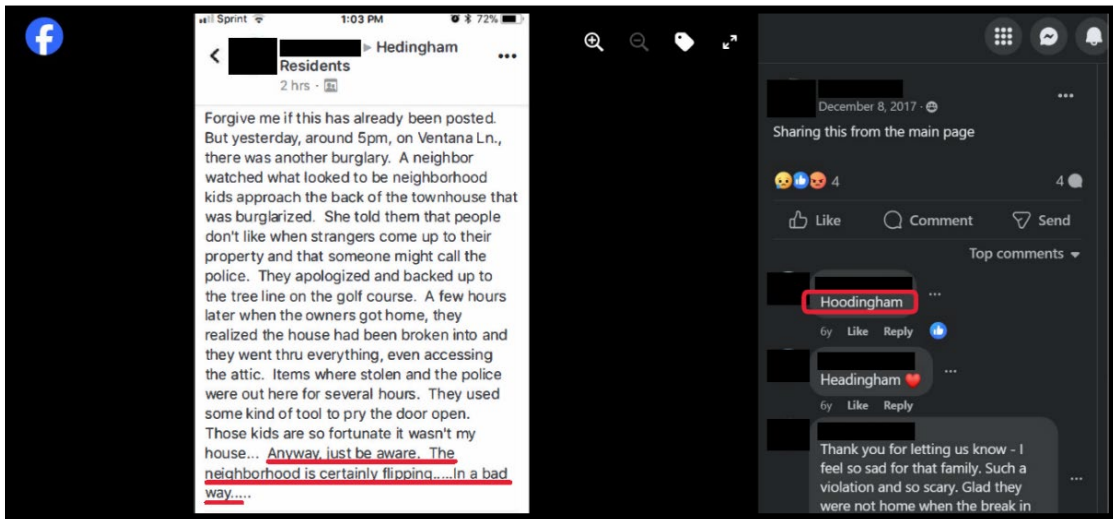

*“...Oh! The neighborhood itself! During my first week **there was an entire SWAT team surrounding a house down the street. So not exactly a safe place either.**”*

*“...several crimes (including at least 1 shooting) happening within 100 feet of my house...”*

*“...Wildly unsafe neighborhood too. Every month some house got shot up or someone was killed. If you want to rent a place to start a meth business then rent here...”*

### Facebook Posts About Crime<sup>3</sup>

13. Even the Facebook groups, which agents of Defendant Hedingham Community Association manage, warn:

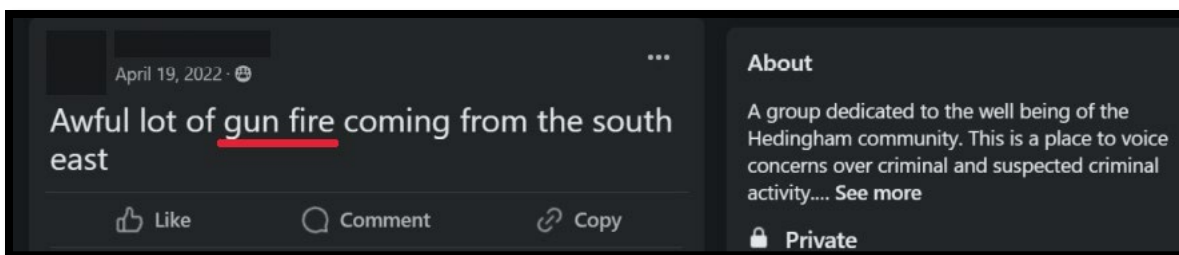

14. In March of 2022, less than seven months before the mass shooting, a resident took to one of Hedingham’s Facebook groups to warn of rounds fired in the neighborhood:

<sup>3</sup> The Hedingham Residents Facebook page is monitored and managed by agents of Defendant Hedingham Community Association.

15. A month later, and less than six months before the October 13, 2022, mass shooting, another resident took to one of the Hedingham Facebook Groups to warn of more gunfire in Hedingham:

16. The complaints on the Facebook neighborhood pages kept pouring in:  
*"We've been out here for 18 yrs. And in the beginning there was NEVER any crime out here! It seems like **the past few months it's gotten out of hand!**..."*

*"I am so sad for our neighborhood and the fact this is continuing to happen. I have lived in my home for 13 years this month and I've seen little crime waves, **but nothing like this**...I've gone to the HOA for various things but **I've never gotten any response**..."*

#### **Other Resident Complaints About Crime**

17. In addition to all the criminal incidents, Google reviews, and Facebook posts sampled above, Defendants Hedingham Community Association, H.R.W., Capitol Special Police, Taylor, and Locke, also had actual or constructive knowledge of residents' complaints and concerns about crime.
18. Residents have complained of fights, graffiti, gang tagging, assaults, car break-ins, house break-ins, burglaries, robberies, shots fired, etc. in Hedingham. One resident stated: "[b]efore the Hedingham Shooting, I complained to the HOA about the crime . . . but to my knowledge nothing was ever done."
19. Another resident stated: "Before the shooting that happened here in October 2022, Hedingham had a problem with crime. Several of the people who live here complained about it to the HOA, including myself."

#### **Resident Complaints About the Security Company**

20. Moreover, Defendants Hedingham Community Association, H.R.W., Capitol Special Police, Taylor, and Locke, also had actual or constructive knowledge of resident complaints about Hedingham's private police company, Capitol Special Police:

*With everything that has been going on in the neighborhood we really need to be looking out for each other...We have moved beyond "make sure you're locking your cars" ...I rent here and have lived in the community 4 years now.*

*Personally I think we need better paid security with extra man power. I'm sorry but the security we have now is a joke...*

*"I don't see security or police on my street. I'm just frustrated."*

*"I do hear that this security company exists, but they are not on my street. 4 houses had their cars broken into, we pay for security just as everyone does but we don't get it."*

21. One resident stated: "[t]he security company never did anything. I rarely saw them driving around—most of the time they were nowhere to be seen or else just sitting there not doing anything."
22. That same resident also stated: "I complained to the HOA about the crime and the security company never doing anything, but to my knowledge nothing was ever done."
23. The complaints by residents continued: "[b]efore the shooting, the HOA had hired security. Security was not effective. I hardly ever saw them. The few times I did see them, they seemed to be more interested in getting after people for not parking correctly. The issues with crime were still happening."

#### **Resident Complaints About Austin Thompson**

24. In addition to grievances by residents about crime affecting Hedingham generally, Defendants Hedingham Community Association, H.R.W., Capitol Special Police, Taylor, and Locke, were also on notice about the Thompsons, and Austin, the mass shooter, specifically.
25. One resident stated about Austin Thompson: "[b]efore the Hedingham Shooting [Austin] got into it with other people in the neighborhood . . . [he] used racial slurs. I complained about Austin and his dad to the HOA. Again, to my knowledge nothing was ever done."
26. Another resident shared a similar experience: "Austin . . . had caused a lot of problems in the neighborhood before the shooting. [he] had gotten into fights with people in the neighborhood. One time, when [he] had gotten into it with some people, [he] had used racial slurs. They also talked a lot about getting weapons and bullets. Whenever [he] would go looking for trouble and get into it with people in the neighborhood, [he] seemed to pick on women especially. Several of the people who live here complained about them to the HOA, including myself. To my knowledge, nothing was ever done."

#### **Resident Complaints About Austin Just Before the Mass Shooting**

27. Even more jarring, Defendants Hedingham Community Association, H.R.W., Capitol Special Police, Taylor, and Locke had actual or constructive knowledge of resident complaints about the shooter, Austin Thompson, in the days preceding the mass shooting.

28. One resident stated: “[a] day or two before the Hedingham Shooting, I saw Austin transporting backpacks full of stuff . . . I thought it was very strange that he was doing that. I remember I alerted the HOA of Austin’s suspicious behavior, but to my knowledge, the HOA never followed up on it.”
29. It was after the shooting that residents realized that the path they had observed Austin take days prior was the start of the path of his spree.

### **Victim Had Been Targeted by Austin Thompson Before**

30. Nicole Connors-Howard, the deceased wife of Tracy Howard, had run-ins with the Thompsons before she was killed by Austin. Austin unleashed 34 shots on Nicole—more than the aggregate amount of all shots he fired against the other victims.
31. Another resident stated: “I lost my friend Nicole in the Hedingham Shooting. It was very sad. She was one of the women Austin . . . picked on before the shooting.”<sup>4</sup>

### **The Tragedies and Trauma Continue to Mount on an Already Terrified Community**

32. Ever since October 13, 2022, violence continues to plague the residents of Hedingham.<sup>5</sup>
33. On August 14, 2024, armed assailants shot up three homes in Hedingham. Families were inside. Luckily, no one was struck by the barrage of gunfire. This time, over 100 shots were fired on Shadow Glen Drive, just two blocks from Sahalee Way. Three homes were affected. One home had more than 100 bullet holes on it. More than 90 evidence markers were set up around the three homes, while police were outside for hours combing the grass for shell casings.
34. One does not need to leap two years to appreciate the lack of any meaningful action or change from Defendants Hedingham Community Association and Capitol Special Police. Just two weeks after the mass shooting, on October 31, 2022, while Noah Combs—an armed Capitol Special Police officer—was allegedly patrolling the neighborhood, a young man dressed in all camo, wearing a jacket with lettering “MASS SHOOTERS LIVES MATTER,” and bearing a makeshift AR-15 style rifle, walked around Sahalee Way, pointing his makeshift weapon at terrorized residents in the exact spot where Defendant Austin Thompson had begun his rampage just two weeks earlier. Officer Combs remained clueless as to what was unfolding under his “watch,” while residents, believing the weapon to be real and imagining a copy-cat mass shooting was about to begin, ran into their homes and dialed 911.

---

<sup>4</sup> The targeting of women and minorities did not stop with Nicole. On one occasion, frustrated that a resident’s granddaughter was taking too long to wheel herself across the road, Defendant Alan Thompson shouted “retarded n\*\*\*\*\*” out his car window.

<sup>5</sup> Exhibit 3. The exhibit shows crime data for the Hedingham neighborhood between October 14, 2022, and September 13, 2024. The Exhibit is 22 pages totaling 966 crimes within or in the immediate vicinity of Hedingham.

35. Unless something changes, Hedingham will continue to be a scene of violence, trauma, and tragedy.
36. As a direct and proximate result of each of the named Defendants' acts and omissions, Nicole Connors-Howard, Susan Butler Karnatz, Mary Marshall, and Officer Gabriel Torres were shot and killed, and Marcille Lynn Gardner and Officer Casey Joseph Clark were seriously injured—a tragedy that could have been avoided but for the callousness, deliberate indifference and negligence of each of these Defendants

**FIRST CLAIM FOR RELIEF**

***Negligence, Gross Negligence, and Premises Liability***

(Defendants H.R.W. and Hedingham Community Association)

58. Plaintiffs incorporate the foregoing paragraphs of this Complaint as if fully set forth herein.
59. At all relevant times, Defendants Hedingham Community Association and H.R.W., controlled, operated, and managed the Hedingham neighborhood located in Raleigh, North Carolina.
60. At all relevant times, Defendants Hedingham Community Association and H.R.W. had the legal duty to protect residents and lawful visitors, including Marcille Lynn Gardner, Officer Casey Joseph Clark, Nicole Connors-Howard, Susan Butler Karnatz, Mary Elizabeth Marshall, and Officer Gabriel Torres, from reasonably foreseeable third-party attacks. Furthermore, these Defendants had a legal duty to keep Hedingham in a state consistent with the due regard of the safety of their residents and lawful visitors, including Marcille Lynn Gardner, Officer Casey Joseph Clark, Nicole Connors-Howard, Susan Butler Karnatz, Mary Elizabeth Marshall, and Officer Gabriel Torres.
61. Defendants Hedingham Community Association and H.R.W. should have reasonably foreseen that the conditions at Hedingham were such that safety of residents and lawful visitors might reasonably be endangered, and such residents and lawful visitors exposed to injury due to criminal activity of third persons.
62. Defendants Hedingham Community Association and H.R.W. had a duty to reasonably protect residents and lawful visitors from foreseeable third-party criminal activity likely to endanger the safety of residents and lawful visitors to Hedingham.
63. Defendants Hedingham Community Association and H.R.W. had reasonable opportunity to prevent or control foreseeable third-party criminal activity likely to endanger the safety of residents and lawful visitors to Hedingham on October 13, 2022, and relevant dates prior thereto.
64. Defendants Hedingham Community Association and H.R.W. had a duty to reasonably prevent or control foreseeable third-party criminal activity likely to endanger the safety of residents and lawful visitors of Hedingham on October 13, 2022 and relevant dates prior thereto.
65. At all times relevant, Hedingham Community Association and H.R.W. had a duty to exercise reasonable care to discover criminal activity by third persons was occurring and likely to endanger the safety of residents and lawful visitors of Hedingham, and to exercise due care to reasonably prevent or control such criminal activity upon its discovery.
66. Defendants Hedingham Community Association and H.R.W. had actual or constructive knowledge of ongoing criminal violence affecting Hedingham. More specifically, these

Defendants had actual or constructive knowledge of the criminal activity described in the “Background Information” section of and Exhibits to this Complaint.

67. Defendants Hedingham Community Association and H.R.W. also had actual or constructive knowledge of the complaints from residents regarding the mounting criminal activity at Hedingham described in the “Background Information” section of this Complaint.
68. Defendants Hedingham Community Association and H.R.W. breached the duties they owed to residents and lawful visitors of Hedingham, including the Decedents and the injured Plaintiffs by failing to exercise ordinary care to protect them and keep Hedingham safe.
69. In response to the mounting criminal activity at Hedingham, Hedingham residents began to voice their complaints to Defendants Hedingham Community Association and H.R.W. Residents were fed up with the increasing criminal activity and the accompanying dangers, but their grievances fell on deaf ears.
70. Frustrated by the lack of response from Defendants Hedingham Community Association and H.R.W., residents began contemplating taking the matters of safety and security into their own hands. Defendants Hedingham Community Association and H.R.W. explicitly instructed residents not to take matters of safety and security into their own hands and pledged to take care of the issues with safety and security.
71. Finally, in response to the outcry of its residents, Defendants Hedingham Community Association and H.R.W. voluntarily undertook the duty of providing for the safety and security of Hedingham.
72. By instructing residents not to take safety and security matters into their own hands and by assuming charge over the safety and security of the neighborhood, including from criminal activity, Defendants Hedingham Community Association and H.R.W. took on the role of protector, agreed to protect against criminal activity, and took control over the safety and security of Hedingham.
73. Hedingham residents, lawful visitors, as well as the Plaintiffs and Decedents, reasonably relied on Defendants Hedingham Community Association and H.R.W. to protect them from foreseeable third-party criminal attacks.
74. In furtherance of their duties, Defendants Hedingham Community Association and H.R.W. contracted or entered into an agreement with Defendant Capitol Special Police to provide armed security services and armed roving patrols at Hedingham for the benefit of its residents and lawful visitors, as well as the Plaintiffs, and Decedents. The injured Plaintiffs and the Decedents were third-party beneficiaries to this contract.
75. Defendants Hedingham Community Association and H.R.W. choice of Defendant Capitol Special Police—an entity which represented itself as having the same jurisdiction and

powers as law enforcement—created a reasonable expectation among Hedingham residents, lawful visitors, the Plaintiffs, and Decedents that they were being protected by a quasi-law enforcement agency equipped to handle criminal threats—an expectation upon which residents reasonably relied, and which Defendants Hedingham Community Association and H.R.W. used to quell the growing safety concerns and discontent of residents, and salvage the public image of the community.

76. Defendants Hedingham Community Association and H.R.W. specifically selected Defendant Capitol Special Police to provide armed security services at Hedingham. As such, Defendants Hedingham Community Association and H.R.W. retained responsibility for ensuring that Defendant Capitol Special Police provided security services commensurate with their agreements, promises, and representations. Feedback, recommendations, changes, and ultimate decision-making authority regarding security- and safety-related matters, however, at all times remained with Defendants Hedingham Community Association and H.R.W.
77. Having undertaken a duty to protect its residents, lawful visitors, the Plaintiffs, and Decedents, Defendants Hedingham Community Association and H.R.W. were under a common-law duty to perform with ordinary care the duties they assumed—namely, provide, retain, maintain, and ensure adequate security for the protection they promised.
78. Defendants Hedingham Community Association and H.R.W. had the responsibility to perform their duties reasonably and competently, and to keep Hedingham in a state consistent with the due regard of the safety of residents, lawful visitors, the Plaintiffs, and Decedents.
79. Defendants Hedingham Community Association and H.R.W. had ample and reasonable opportunity to prevent or control foreseeable third-party criminal activity likely to endanger the safety of residents, lawful visitors, the Plaintiffs, and Decedents on October 13, 2022. These Defendants owed residents, lawful visitors, the Plaintiffs, and Decedents the duties:
  - a. To discover that criminal activity was occurring and likely to endanger the safety of Hedingham;
  - b. To exercise due care to reasonably prevent or control such criminal activity upon its discovery;
  - c. To take reasonable steps for the safety and protection of Hedingham;
  - d. To keep Hedingham in a state consistent with due regard for safety;
  - e. To act on credible tips regarding security threats;
  - f. To warn of known dangers at Hedingham; and
  - g. To otherwise act in a reasonable and prudent manner at all times.

80. But even after retaining Defendant Capitol Special Police, criminal activity affecting Hedingham continued to mount.
81. Defendants Hedingham Community Association and H.R.W. had actual or constructive knowledge of the complaints from residents regarding Defendant Capitol Special Police's failure to provide competent security at Hedingham.
82. Defendants Hedingham Community Association and H.R.W. had actual or constructive knowledge of the behavior of Defendant Austin Thompson.
83. Despite all this knowledge, Hedingham Community Association and H.R.W. remained unmoved. Choosing indifference and inaction.
84. At all times pertinent to the October 13, 2022, mass shooting, Defendants Hedingham Community Association and H.R.W., by and through their agents and employees, were negligent in:
  - a. Failing to provide adequate security at Hedingham;
  - b. Failing to adequately assess the need for adequate security at Hedingham;
  - c. Failing to reasonably investigate or discover the history of criminal activity at Hedingham;
  - d. Failing to responsibly carry out duties regarding security and safety these Defendants undertook;
  - e. Failing to monitor activity that was potentially harmful to others;
  - f. Failing to exercise reasonable care to provide a safe environment for the residents and lawful visitors of Hedingham;
  - g. Failing to provide proper and adequate surveillance of Hedingham;
  - h. Failing to properly train their employees, officers, and agents in recognizing and correcting dangerous conditions and risks to residents and lawful visitors of Hedingham;
  - i. Failing to monitor the performance of their security personnel to ensure the safety of residents and lawful visitors of Hedingham;
  - j. Failing to hire competent security personnel to ensure the safety of residents and lawful visitors of Hedingham;
  - k. Failing to implement and follow security measures commensurate with the recommendations of security experts and consultants;
  - l. Failing to implement and follow security measures requested by its on-site property manager(s);

- m. Failing to remove delinquent, dangerous, and unauthorized persons from Hedingham;
  - n. Failing to have adequate patrols to deter dangerous activity at Hedingham;
  - o. Failing to warn its residents, including Plaintiffs and Decedents, of the risks of criminal activity at Hedingham;
  - p. Failing to follow the instructions or recommendations of law enforcement;
  - q. Failing to properly budget or allocate resources so that adequate security measures could be implemented and maintained;
  - r. Failing to maintain a policy, procedure, or system of investigating, reporting, and warning of criminal activity at Hedingham;
  - s. Failing to maintain, inspect, secure, patrol, and manage Hedingham;
  - t. Failing to restrict access to the subdivision on October 13, 2022 to only those persons who were lawfully permitted to be there;
  - u. Permitting or otherwise ignoring criminal activity at Hedingham;
  - v. Allowing unauthorized or dangerous persons at Hedingham, contrary to the standard of practice or care;
  - w. Permitting unauthorized or dangerous persons to remain at Hedingham with weapons; and
  - x. All other acts of negligence that may be shown at the time of trial.
85. Plaintiffs are informed and believe that prior to and on October 13, 2022, Hedingham was negligently maintained, inspected, secured, patrolled and managed.
86. Defendants Hedingham Community Association and H.R.W. had knowledge, both actual and constructive, of the need to properly maintain, secure, inspect, patrol and manage Hedingham, but these Defendants failed to exercise ordinary care.
87. In failing to maintain, inspect, secure, patrol, and manage Hedingham, Defendants Hedingham Community Association and H.R.W. created an unreasonable risk of injury to the residents of and lawful visitors to Hedingham, including the Plaintiffs and Decedents.
88. Defendants Hedingham Community Association and H.R.W. owed a duty of care to residents and lawful visitors of the subject premises, including Plaintiffs and Decedents, to provide adequate security measures on the premises.

89. Plaintiffs are informed and believe that prior to and on October 13, 2022, Defendants Hedingham Community Association and H.R.W. failed to provide adequate security measures at Hedingham in breach of their duty of care.
90. Defendants Hedingham Community Association and H.R.W. were aware of security deficiencies at Hedingham prior to the October 13, 2022 mass shooting; however, these Defendants failed to remedy the security deficiencies about which they were on notice.
91. Defendants Hedingham Community Association and H.R.W. had actual and constructive knowledge of widespread dangerous, reckless, or negligent activity existing on and around Hedingham prior to the October 13, 2022, mass shooting; however, these Defendants failed to mitigate the safety threats about which they were on notice.
92. Defendants Hedingham Community Association and H.R.W. had actual and constructive knowledge of the regular presence of unauthorized or dangerous individuals at Hedingham and knew or should have known that their presence created a dangerous environment at Hedingham; however, these Defendants failed to remove these individuals, exposing the residents of and lawful visitors to Hedingham to danger.
93. Because Defendants Hedingham Community Association and H.R.W. had knowledge of or, in the exercise of reasonable care, should have had knowledge of the dangerous environment at Hedingham, these Defendants are liable for the negligent supervision, hiring, training, and retention of their employees and for the entrustment of the premises to their partners, agents and employees.
94. In addition, the acts, practices, and omissions of the officers, employees, and agents of Defendants Hedingham Community Association and H.R.W. are imputed to their respective employers either directly or vicariously, under the principles of corporate liability, the completed and accepted doctrine, apparent authority, agency, ostensible agency, and *respondeat superior*.
95. Had Defendants Hedingham Community Association and H.R.W. exercised reasonable care in preventing or controlling the foreseeable criminal activity of third parties, injury to the Plaintiffs and Decedents likely could have been prevented.
96. The negligence detailed in the preceding paragraphs was a proximate cause of the deaths of the Decedents and injuries to Plaintiffs in this Complaint.
97. Each of the foregoing tortious acts and omissions constitute an independent act of negligence on the part of Defendants Hedingham Community Association and H.R.W. and one or more or all of the stated acts and omission was a proximate cause of the deaths of the Decedents and injuries endured by the Plaintiffs.
98. The deaths of Nicole Connors-Howard, Susan Butler Karnatz, Mary Elizabeth Marshall, and Officer Gabriel Torres were the direct and proximate result of the acts and omissions of Defendants Hedingham Community Association and H.R.W. But for said acts and

omissions, Plaintiffs' Decedents would not have died in the manner and circumstances in which they did on October 13, 2022.

99. The injuries suffered by Marcille Lynn Gardner and Officer Casey Joseph Clark were the direct and proximate result of the acts of Defendants Hedingham Community Association and H.R.W. But for said acts and omissions, Plaintiffs would not have been injured in the manner and circumstances in which they did on October 13, 2022.
100. The damages incurred from the negligence of Defendants Hedingham Community Association and H.R.W. include those allowed by N.C. Gen. Stat. § 28A-18-2(b) for the deaths of Susan Butler Karnatz, Mary Elizabeth Marshall, Officer Gabriel Torres, and Nicole Connors-Howard. The Estates of these Decedents are entitled to recover all categories of damages set forth in N.C. Gen. Stat. § 28A-18-2(b), jointly and severally, from Defendants.
101. As a direct and proximate result of the acts and omissions of Defendants Hedingham Community Association and H.R.W., Marcille Lynn Gardner and Officer Casey Joseph Clark suffered severe emotional and physical pain and suffering, permanent injury, scarring, disfigurement and the loss of the normal use of their body parts. Each of these Plaintiffs continue to undergo medical treatment and endure physical limitations as a product of the shootings. They continue to incur medical bills and neither Plaintiff will be able to return to the life they had before this shooting. Officer Clark's injuries preclude him from continuing a career in law enforcement, while Lynn continues to undergo medical intervention and treatment and suffer from serious and permanent injuries.
102. As a direct and proximate result of the negligence of Defendants Hedingham Community Association and H.R.W., the Decedents and injured Plaintiffs suffered tremendously. For purposes of establishing that this case belongs in Superior Court, the Plaintiffs claim damages in excess of \$25,000, this Court's minimal jurisdictional threshold. Realistically, the damages and loss in this case far exceed the jurisdictional amount.
103. The conduct of Defendants Hedingham Community Association and H.R.W. constitute a conscious and intentional disregard for and indifference to the rights and safety of others; a disregard the Defendants knew, or should have known, was reasonably likely to result in injury, damage, or other harm, and the same therefore constitutes gross negligence.
104. Further, the actions of Defendants Hedingham Community Association and H.R.W. constitute willful or wanton conduct manifesting a conscious and intentional disregard for the rights and safety of Decedents and Plaintiffs. Resultingly, Plaintiffs are entitled to recover punitive damages in the maximum amount permitted by law pursuant N.C. Gen. Stat. § 1D-15.

**SECOND CLAIM FOR RELIEF**

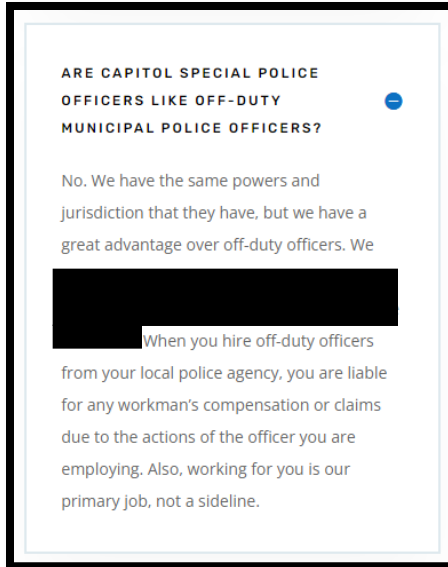

***Negligence & Gross Negligence***

(Defendants Capitol Special Police and Roy G. Taylor)

105. Plaintiffs incorporate the foregoing paragraphs of this Complaint as if fully set forth herein.
106. At all times relevant, Defendants Capitol Special Police and Roy G. Taylor were hired to perform armed security services at Hedingham.
107. At all times relevant, Defendant Taylor was acting in the course and scope of his employment with Defendant Capitol Special Police and as “Chief of Police.”<sup>6</sup> Defendant Taylor was acting for the pecuniary benefit and in furtherance of the business of Defendant Capitol Special Police. Resultingly, under the principles of corporate liability, apparent authority, agency, ostensible agency, and *respondeat superior*, the acts, practices, and omissions of Defendant Taylor are imputed to his employer, Defendant Capitol Special Police.
108. Upon information and belief, Defendants Capitol Special Police and Taylor contracted with or entered into a services agreement with Defendants Hedingham Community Association or H.R.W. The agreement called for Defendant Capitol Special Police and Taylor to provide armed security services at Hedingham prior to and at the time of the October 13, 2022 mass shooting. The injured Plaintiffs and the Decedents were third-party beneficiaries of that agreement or contract.
109. Defendants Capitol Special Police and Taylor were responsible for the security and safety of Hedingham at the time of the mass shooting. Their responsibilities included protecting the Decedents and injured Plaintiffs from reasonably foreseeable third-party criminal attacks.
110. At all times relevant, Defendants Capitol Special Police and Taylor were tasked with and in charge of safety and security at Hedingham. These Defendants represented themselves as having the same jurisdiction and powers as law enforcement:

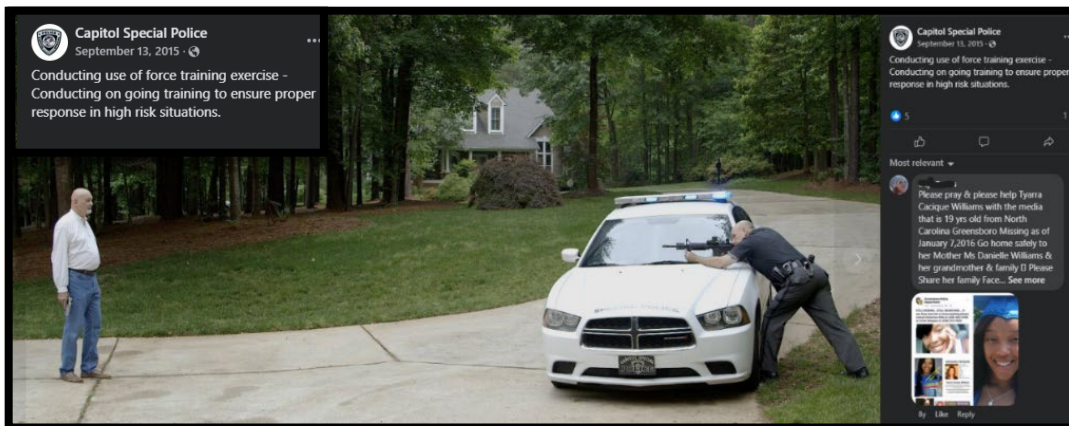

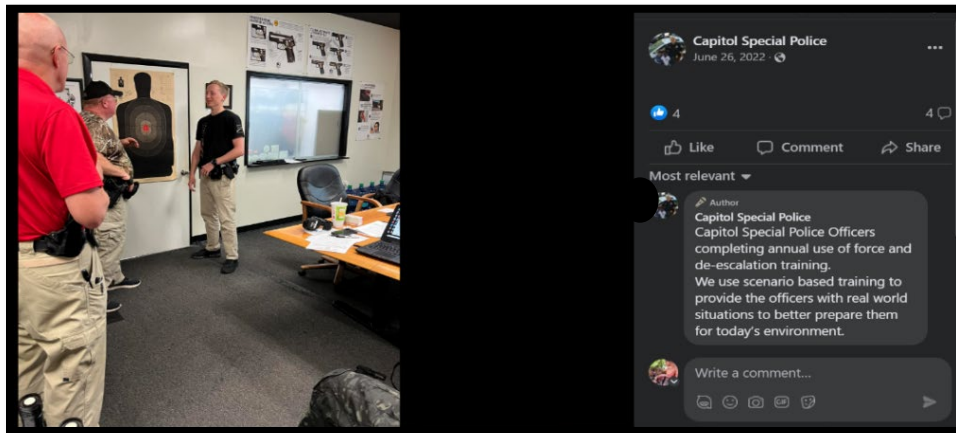

---

<sup>6</sup> It should be noted that while Defendant Taylor refers to himself as “Chief of Police,” he is not the Chief of Police of any public or municipal local law enforcement agency. Defendant Taylor is merely the owner of Defendant Capitol Special Police, a private company.

Redaction made to abide by N.C. Gen. Stat. § 8C Rule 411

111. Defendants Capitol Special Police and Taylor represented themselves as an armed private police company with jurisdiction and powers of those of municipal police departments, and expertise in anti-terrorism, force protection, physical security, emergency management, use of force and firearms, comprehensive law enforcement training, and de-escalation techniques:

112. The public and powerful representations made by Defendants Capitol Special Police and Taylor created a reasonable expectation among Hedingham residents, lawful visitors, the Plaintiffs, and Decedents that they were being protected by a quasi-law enforcement agency equipped to handle criminal threats. Suffice it to say, Hedingham residents, lawful visitors, the Plaintiffs, and Decedents reasonably relied on Defendants Capitol Special Police and Taylor to protect them from foreseeable third-party criminal attacks—a reliance that proved detrimental.
113. At all times relevant, Defendants Capitol Special Police and Taylor had the legal duty to protect the residents of and lawful visitors to Hedingham—including Marcille Lynn Gardner, Officer Casey Joseph Clark, Nicole Connors-Howard, Susan Butler Karnatz, Mary Elizabeth Marshall, and Officer Gabriel Torres—from reasonably foreseeable third-party criminal attacks. Furthermore, these Defendants had a legal duty to keep Hedingham in a state consistent with the due regard of the safety of their residents and lawful visitors, including Marcille Lynn Gardner, Officer Casey Joseph Clark, Nicole Connors-Howard, Susan Butler Karnatz, Mary Elizabeth Marshall, and Officer Gabriel Torres.
114. As contracted-for armed security, Defendants Capitol Special Police and Taylor were responsible for the security and safety of Hedingham, including protecting the Decedents and injured Plaintiffs from reasonably foreseeable third-party criminal attacks. Resultingly, Defendants Capitol Special Police and Taylor were under a duty:
  - a. To discover that criminal activity by third persons was occurring and likely to endanger the safety of residents of and lawful visitors to Hedingham;
  - b. To exercise due care to reasonably prevent or control criminal activity within Hedingham upon its discovery;
  - c. To take reasonable steps for the safety and protection of the residents and lawful visitors of Hedingham;
  - d. To keep Hedingham secure and in a state consistent with due regard for the safety of residents and lawful visitors from reasonably foreseeable third-party criminal activity;
  - e. To warn of known dangers at Hedingham; and
  - f. To act as reasonably prudent armed security.
115. Defendants Capitol Special Police and Taylor had actual or constructive knowledge of the prior crime described in the “Background Information” section of this Complaint. This knowledge together with their specialized training, should have provided Defendants Capitol Special Police and Taylor with an abundance of notice of Hedingham’s ongoing crime problem, and it should have placed them in a position to understand that the conditions at Hedingham exposed its residents and lawful visitors to injury due to the criminal activity of third persons.

116. As described in the “Background Information” section of this Complaint, in addition to knowledge of prior crime affecting Hedingham and residents’ grievances about the same, Defendants Capitol Special Police and Taylor also had actual or constructive knowledge of residents’ complaints about Defendant Taylor’s and Defendant Capitol Special Police’s failures to provide reasonable security at Hedingham.
117. Beyond the reasonable duty to foresee the likelihood of continued criminal activity, Defendants Capitol Special Police and Taylor had the concomitant duty, as well as ample and reasonable opportunity, to discover ongoing criminal activity at Hedingham on October 13, 2022. Yet, they consistently failed to.
118. Prior to October 13, 2022, Defendants Capitol Special Police and Taylor had actual or constructive knowledge of the dangers Defendant Austin Thompson posed to the neighborhood. These Defendants had actual or constructive knowledge of Defendant Austin Thompson’s antisocial, racist, aggressive, and violent comments and behaviors.
119. Moreover, on October 13, 2022, Defendants Capitol Special Police and Taylor should have known of Defendant Austin Thompson’s unlawful presence in Hedingham:
  - a. Austin openly strolled through the neighborhood while armed with a long barrel shotgun;
  - b. Austin was so visible that he was spotted by numerous residents, some of whom even took photos of him from their windows;
  - c. Austin had already fired rounds in his home before leaving it to traverse and terrorize the neighborhood. Rounds which Defendants Capitol Special Police or Taylor should have been aware; and
  - d. As each round of gunfire rang out signaling a new crime scene, Capitol Special Police or Taylor should have been aware of the gunfire and responded. Multiple crime scenes sprang up throughout the neighborhood, starting at Austin’s own home. Between each crime scene, several minutes separated the next round of gunfire.
120. Each of these examples demonstrate opportunities for Defendants Capitol Special Police and Taylor to react, intervene, and mitigate—but they did not.
121. Defendants Capitol Special Police and Taylor failed to meet the minimum threshold of their duties of care on October 13, 2022:
  - a. They failed to conduct regular patrols, allowing Austin—a mass shooter—to go unnoticed and undeterred for an extended period;
  - b. They failed to appreciate nearly 30 shots fired in Hedingham, where they were supposed to be securing and actively patrolling;

- c. They failed to investigate shots fired from the home of the shooter—which callers had heard—a failure that allowed a home shooting to grow into a mass shooting;
  - d. They failed to detect the presence of an active shooter on their own, only becoming aware of the ongoing killing spree after residents had to frantically search to alert them;
  - e. They failed to properly monitor Hedingham, missing obvious signs of criminal activity, including mounting crime scenes;
  - f. They failed to report suspicious criminal activity, including a camo-clad shooter bearing a long barrel shotgun; and
  - g. Once aware of the shooter, they failed to warn other residents or initiate any type of emergency notification or lockdown to ensure the safety of the community.
122. In fact, neither Defendants Capitol Special Police, nor Taylor, nor their officers on ground at the time of the shooting, could provide the street name where the shooting was taking place, could offer any description of the shooter, nor could even give a street address for the actual police to respond. It was the residents of the victimized neighborhood that were guiding Raleigh Police Department and tending to their injured neighbors.
123. Defendants Capitol Special Police’s and Taylor’s failure to take any preventive, active, intervening, or even mitigating measures was a fundamental neglect of their duties as allegedly trained armed security. These Defendants should have at the very least appreciated the presence of an active shooter in the neighborhood they were supposed to be patrolling. They did not.
124. Despite Austin Thompson’s actions, Defendants Capitol Special Police, Taylor, and their officers on duty that day, failed to intervene or appreciate the ongoing killing spree. Indeed, the reviews in the Background section of this Complaint paint a picture of what likely happened on October 13, 2022: Defendants Capitol Special Police, Taylor, and their on-duty officers that day were nowhere to be seen, failed to recognize an active shooter, failed to discover multiple crime scenes within their patrol area, and failed to provide even the most basic, let alone “comprehensive” provision, of law enforcement services while on duty.
125. Defendants Capitol Special Police and Taylor had a duty to maintain Hedingham safe, secure, and in a state consistent with the due regard of the safety of its residents and lawful visitors. Instead, they were negligent and grossly negligent in the execution of their duties. They:
- a. Knowingly subjected residents and lawful visitors to an unreasonable risk of serious physical harm;
  - b. Failed to provide adequate security;

- c. Failed to exercise reasonable care to provide a safe environment for residents and lawful visitors;
- d. Failed to provide proper and adequate surveillance;
- e. Failed to follow training and instructions;
- f. Failed to follow or act according to their own representations regarding the services they provide;
- g. Failed to implement and follow security measures commensurate with the recommendations and instructions of security experts and consultants;
- h. Failed to remove delinquent, unauthorized, armed and dangerous persons from Hedingham;
- i. Failed to adequately control unauthorized, armed and dangerous persons in Hedingham, including in the common areas;
- j. Failed to provide adequate patrols so as to recognize or discover ongoing dangerous activity in Hedingham;
- k. Failed to warn the residents and lawful visitors of Hedingham of the risks of criminal activity in the subdivision;
- l. Failed to warn residents and lawful visitors of an ongoing active shooter scene in the subdivision, once the Defendants became aware of it;
- m. Failed to monitor the performance of its security personnel to ensure the safety of residents and lawful visitors;
- n. Failed to hire competent security personnel to ensure the safety of residents and lawful visitors;
- o. Failed to implement and follow security measures commensurate with the recommendations of security experts and consultants;
- p. Failed to maintain a policy, procedure, or system of investigating, reporting, and warning of criminal activity affecting Hedingham;
- q. Failed to restrict access to Hedingham on October 13, 2022, to only those persons who were lawfully permitted to be there;
- r. Failed to conduct regular patrols, allowing a mass shooter to go unnoticed for an extended period of time;
- s. Failed to investigate the initial shots coming from the home of the shooter;

- t. Failed to properly monitor the neighborhood, missing signs of criminal activity;
  - u. Failed to act on or report suspicious criminal activity prior to the scene escalating to a mass shooting;
  - v. Allowed dangerous persons on the premises, contrary to the standard of practice and standard of care for a subdivision, neighborhood, or community;
  - w. Allowed or otherwise ignored criminal activity affecting Hedingham;
  - x. Permitted armed and dangerous persons to roam the subdivision;
  - y. Failed to pursue a known dangerous person who posed a threat and imminent harm to residents and lawful visitors of Hedingham, as well as people in the surrounding area; and
  - z. Were negligent and grossly negligent in other ways that will be proven at trial.
126. On and prior to October 13, 2022, Defendants Capitol Special Police and Taylor voluntarily undertook a duty to pursue any known, dangerous person who posed a threat and imminent harm to residents and lawful visitors of Hedingham, as well as to people in the surrounding area. So long as the crime began within Defendant Capitol Special Police’s jurisdiction, Defendants Capitol Special Police and Taylor could pursue as far as the North Carolina state lines:

<https://capitolspecialpolice.com/faq/>

127. Not only did Defendants Capitol Special Police and Taylor promise to provide comprehensive law enforcement, not only did they train their officers in the use of force during high-risk, emergency situations, and not only did they pledge greater advantage over off-duty municipal law enforcement officers, but their duty to stop a criminal extended “as far as the state line.”

128. The shootings began in the 5000 block of Sahalee Way, in Hedingham, the neighborhood Defendants Capitol Special Police and Taylor were contracted to secure—their jurisdiction.
129. On October 13, 2022, and prior to the mass shooting beginning, Defendants Capitol Special Police and Taylor, or their officers, were on site at Hedingham.
130. As crime scenes continued to mount in the Hedingham subdivision, each within minutes of the other, each was marked by firing rounds that reverberated across the entire community.
131. Defendants Capitol Special Police and Taylor had the duty, as well as ample and reasonable opportunity, to discover the active shooter spree unfolding under their watch on October 13, 2022.
132. Instead, Austin Thompson was allowed to roam freely, unnoticed, and undeterred through nearly a mile around Hedingham, executing whoever crossed his path.
133. Moreover, Defendants Capitol Special Police and Taylor not only had the duty as well as ample and reasonable opportunity to discover Austin Thompson, but upon discovering him, to react, to respond, and to pursue him.
134. Defendants Capitol Special Police and Taylor should have never allowed Austin Thompson to leave Hedingham, should have responded to the rounds of firing, should have detected the active shooter, and should have pursued him “as far as the state line.” They did not.
135. It was on Defendants Capitol Special Police’s and Taylor’s representations to protect and secure, that the Decedents and injured Plaintiffs reasonably but detrimentally relied upon on October 13, 2022, and before.
136. On October 13, 2022, Defendants Capitol Special Police and Taylor failed to provide adequate security measures, failed to recognize and timely act on criminal activity, failed to warn residents and lawful visitors of criminal activity upon discovery thereof, failed to remedy security deficiencies about which they were on notice, and failed to act in a timely and competent manner—all in breach of their duty of care.
137. Moreover, upon information and belief, Defendants Capitol Special Police and Taylor violated the Services Agreement or Contract with Defendants Hedingham Community Association or H.R.W., on October 13, 2022, by failing to provide security services at Hedingham commensurate with their assurances, promises, and representations. The injured Plaintiffs and the Decedents were third-party beneficiaries of the contract or agreement to provide security services.
138. Plaintiffs are informed and believe that prior to and on October 13, 2022, Hedingham was negligently maintained, inspected, secured, patrolled, and managed.

139. Defendants Capitol Special Police and Taylor had knowledge, both actual and constructive, of the need to properly maintain, secure, inspect, patrol, and manage Hedingham, but failed to exercise ordinary care.
140. Defendants Capitol Special Police and Taylor were negligent in failing to maintain, inspect, secure, patrol, and manage Hedingham, thereby creating an unreasonable risk of injury to residents and lawful visitors, including the Decedents and injured Plaintiffs.
141. Defendants Capitol Special Police and Taylor knew of or, with the exercise of due care for the safety of residents and lawful visitors, should have known that the dangerous and hazardous conditions arising from criminal activity at Hedingham, combined with the failure to maintain, inspect, secure, patrol, and manage Hedingham, were likely to result in serious injuries to residents and lawful visitors, including the Decedents and injured Plaintiffs.
142. Defendants Capitol Special Police and Taylor owed a duty of care to residents and lawful visitors of Hedingham, including the injured Plaintiffs and Decedents, to provide adequate security measures at Hedingham.
143. Defendants Capitol Special Police and Taylor failed to provide adequate security measures at Hedingham, in breach of their duty of care.
144. Defendants Capitol Special Police and Taylor were aware of security deficiencies at Hedingham prior to October 13, 2022, yet they failed to remedy them.
145. Defendants Capitol Special Police and Taylor had actual and constructive knowledge of widespread dangerous, reckless or negligent activity existing on and around Hedingham prior to October 13, 2022, yet they failed to competently, if at all, address that activity.
146. Defendants Capitol Special Police and Taylor had actual or constructive knowledge of the regular presence of dangerous persons at Hedingham and knew or should have known that this presence created a dangerous environment on the premises, yet they failed to remove those persons.
147. Had Defendants Capitol Special Police and Taylor exercised reasonable care in preventing or controlling the foreseeable criminal activity of third-parties, injury to the injured Plaintiffs and Decedents likely could have been prevented.
148. The negligence detailed in the preceding paragraphs was a proximate cause of the deaths of the Decedents and injured Plaintiffs in this Complaint.
149. Each of the foregoing tortious acts and omissions constitute an independent act of negligence on the part of Defendants Capitol Special Police and Taylor, and one or more or all of the stated acts and omission was a proximate cause of the deaths of the Decedents and injuries endured by the Plaintiffs.

150. The deaths of Nicole Connors-Howard, Susan Butler Karnatz, Mary Elizabeth Marshall, and Officer Gabriel Torres were the direct and proximate result of the acts and omissions of Defendants Capitol Special Police and Taylor. But for said acts and omissions, Plaintiffs' Decedents would not have died in the manner and circumstances they did on October 13, 2022.
151. The injuries suffered by Marcille Lynn Gardner and Officer Casey Joseph Clark were the direct and proximate result of the acts of Defendants Capitol Special Police and Taylor. But for said acts and omissions, Plaintiffs would not have been injured in the manner and circumstances they did on October 13, 2022.
152. The damages incurred from the negligence of Defendants Capitol Special Police and Taylor include those allowed by N.C. Gen. Stat. § 28A-18-2(b) for the deaths of Susan Butler Karnatz, Mary Elizabeth Marshall, Officer Gabriel Torres, and Nicole Connors-Howard. The Estates of these Decedents are entitled to recover all categories of damages set forth in N.C. Gen. Stat. § 28A-18-2(b) jointly and severally, from Defendants.
153. As a direct and proximate result of the acts and omissions of Defendants Capitol Special Police and Taylor, Marcille Lynn Gardner and Officer Casey Joseph Clark suffered severe emotional and physical pain and suffering, permanent injury, scarring, disfigurement and the loss of the normal use of their body parts. Each of these Plaintiffs continue to undergo medical treatment and endure physical limitations as a product of the shootings. They continue to incur medical bills and neither Plaintiff will be able to return to the life they had before this shooting. Officer Clark's injuries preclude him from continuing a career in law enforcement, while Lynn continues to undergo medical intervention and treatment and suffer from serious and permanent injuries.
154. As a direct and proximate result of the negligence of Defendants Capitol Special Police and Taylor, the Decedents and injured Plaintiffs suffered tremendously. For purposes of establishing that this case belongs in Superior Court, the Plaintiffs claim damages in excess of \$25,000, this Court's minimal jurisdictional threshold. Realistically, the damages and loss in this case far exceed the jurisdictional amount.
155. The conduct of Defendants Capitol Special Police and Taylor constitute a conscious and intentional disregard for and indifference to the rights and safety of others; a disregard the Defendants knew, or should have known, was reasonably likely to result in injury, damage, or other harm, and the same therefore constitutes gross negligence.
156. Further, the actions of Defendants Capitol Special Police and Taylor were willful or wanton conduct manifesting a conscious and intentional disregard for the rights and safety of Decedents and Plaintiffs. Resultingly, Plaintiffs are entitled to recover punitive damages in the maximum amount permitted by law pursuant N.C. Gen. Stat. § 1D-15.

**THIRD CLAIM FOR RELIEF**  
***Negligence and Gross Negligence***  
(Defendant Nicole Locke)

157. Plaintiffs incorporate the foregoing paragraphs of this Complaint as if fully set forth herein.
158. At all times relevant Defendant Nicole Locke was retained to perform armed security services at Hedingham. Defendant Locke provided armed security services for Hedingham through her employer Defendant Capitol Special Police.
159. At all times relevant, Defendant Locke was acting in the course and scope of her employment with Defendant Capitol Special Police, was acting for the pecuniary benefit of Defendant Capitol Special Police, and in furtherance of the business of Defendant Capitol Special Police.
160. Upon information and belief, Defendants Hedingham Community Association or Defendant H.R.W. entered into an agreement with Defendant Locke's employer, Defendant Capitol Special Police, to provide security services at Hedingham at the time of and in the years leading up to the October 13, 2022 mass shooting.
161. Defendant Locke was responsible for the security and safety of Hedingham at the time of the mass shooting, including protecting the Decedents and injured Plaintiffs from reasonably foreseeable third-party criminal acts.
162. Resultingly, the acts of Defendant Locke may be imputed either directly or vicariously to her employer, Defendant Capitol Special Police, under the principles of corporate liability, the completed and accepted doctrine, apparent authority, agency, ostensible agency, or *respondeat superior*.
163. On October 13, 2022, Defendant Locke was Defendant Capitol Special Police's armed security guard on duty in Hedingham.
164. As contracted-for armed security, Defendant Locke was responsible for the safety and security of Hedingham, including protecting the Decedents and injured Plaintiffs from reasonably foreseeable third-party criminal attacks. Defendant Locke was under a duty:
  - a. To discover that criminal activity by third persons was occurring and likely to endanger the safety of residents of and lawful visitors to Hedingham;
  - b. To exercise due care to reasonably prevent or control criminal activity within Hedingham upon its discovery;
  - c. To take reasonable steps for the safety and protection of the residents of and lawful visitors in Hedingham;

- d. To keep Hedingham secure and in a state consistent with due regard for the safety of residents and lawful visitors from reasonably foreseeable third-party criminal activity;
  - e. To warn of known dangers at Hedingham; and
  - f. To act as a reasonably prudent armed security guard.
165. Defendant Locke had actual or constructive knowledge of the crime affecting Hedingham. This knowledge together with her specialized training should have provided Defendant Locke with an abundance of notice of Hedingham's ongoing crime problem, and it should have placed her in a position to understand that the conditions in Hedingham exposed its residents and lawful visitors to injury due to the criminal activity of third persons.
166. In addition to having broad knowledge of the crime affecting Hedingham, Defendant Locke also had actual or constructive knowledge of residents' complaints about crime in Hedingham, specifically.
167. Moreover, beyond knowledge of complaints by residents about ongoing criminal activity in Hedingham, Defendant Locke had actual or constructive knowledge of her and Defendant Capitol Special Police's failure to provide reasonable security in Hedingham.
168. In addition to the reasonable duty to foresee the likelihood of continued criminal activity, Defendant Locke had the concomitant duty, as well as ample and reasonable opportunity, to discover ongoing criminal activity by third persons on October 13, 2022.
169. Prior to October 13, 2022, Defendant Locke had actual or constructive knowledge of the dangers Defendant Austin Thompson posed to the neighborhood. Defendant Locke had actual or constructive knowledge of Defendant Austin Thompson's antisocial, racist, aggressive, and violent comments and behaviors.
170. Crucially, on October 13, 2022, Defendant Locke should have known of Austin's unlawful presence in the subdivision:
- a. Austin openly strolled through the neighborhood while armed with a long barrel shotgun;
  - b. Austin was so visible that he was spotted by numerous residents, some of whom even took photos of him from their windows;
  - c. Austin had already fired multiple rounds in his home before leaving it to traverse and terrorize the neighborhood. Rounds which Defendant Locke should have hear; and
  - c. As each round of gunfire rang out signaling a new crime scene, Defendant Locke should have heard the gunfire and responded. Multiple crime scenes sprang up

throughout the neighborhood, starting at Austin's own home. Between each crime scene, several minutes separated the next round of fire.

Each of these examples demonstrate opportunity for Defendant Locke to react, intervene, and mitigate—but she did not.

171. Defendant Locke failed to meet the minimum threshold of her duty of care on October 13, 2022:
  - a. She failed to conduct regular patrols, allowing Austin—a mass shooter—to go unnoticed and undeterred for an extended period;
  - b. She failed to appreciate nearly 30 shots fired in Hedingham, where she was supposed to be securing and actively patrolling;
  - c. She failed to investigate shots fired from the home of the shooter—which callers had heard—a failure that allowed a home shooting to develop into a mass shooting;
  - d. She failed to detect the presence of an active shooter on her own, only becoming aware of the ongoing killing spree after residents had to frantically search to track her down;
  - e. She failed to properly monitor Hedingham, missing obvious signs of criminal activity, including mounting crime scenes;
  - f. She failed to report suspicious criminal activity, including a camo-clad shooter bearing a long barrel shotgun; and
  - g. Once aware of the shooter, she failed to warn other residents or initiate any type of emergency lockdown to ensure the safety of the community.
172. In fact, Defendant Locke could not provide the street name where the shooting was taking place, could not offer any description of the shooter, and could not even give a street address for the actual police to respond. It was the residents of the victimized neighborhood that were guiding Raleigh Police Department and tending to their injured neighbors.
173. Defendant Locke's failure to take any preventive, active, intervening, or even mitigating measures was a fundamental neglect of her duties as an allegedly trained armed officer. Defendant Locke should have at the very least appreciated the presence of an active shooter in the neighborhood she was supposed to be patrolling. She did not.
174. Defendants Locke had a duty to maintain Hedingham safe, secure, and in a state consistent with due regard of the safety of its residents and lawful visitors. Instead, she was negligent and grossly negligent in the execution of her duties. She:
  - a. Knowingly subjected residents and lawful visitors to an unreasonable risk of serious physical harm;

- b. Failed to provide adequate security;
- c. Failed to exercise reasonable care to provide a safe environment for residents and lawful visitors;
- d. Failed to follow her training and instructions;
- e. Failed to follow the representations of her employer, Defendant Capitol Special Police, regarding the services she was to provide;
- f. Failed to implement and follow security measures commensurate with the recommendations and instructions of her superiors, security experts, and consultants;
- g. Failed to remove delinquent, unauthorized, armed and dangerous persons from the subdivision;
- h. Failed to adequately control unauthorized, armed and dangerous persons in the subdivision;
- i. Failed to conduct adequate patrols to deter dangerous activity in the subdivision;
- j. Failed to conduct adequate patrols so as to recognize ongoing dangerous activity in the subdivision;
- k. Failed to warn the residents and lawful visitors of Hedingham of the risks of criminal activity in the subdivision;
- l. Failed to warn the residents and lawful visitors of Hedingham of known, dangerous persons;
- m. Failed to warn residents and lawful visitors of an ongoing active shooter scene in the subdivision, once she discovered it;
- n. Failed to restrict access to Hedingham on October 13, 2022 to only those persons who were lawfully permitted to be there;
- o. Failed to conduct regular patrols, allowing a mass shooter to go unnoticed for an extended period of time;
- p. Failed to investigate the initial shots coming from the home of the shooter;
- q. Failed to properly monitor the neighborhood, missing signs of criminal activity;
- r. Failed to act on or report suspicious criminal activity prior to the scene escalating to a mass shooting;

- s. Permitted dangerous persons on the premises, contrary to the standard of practice and standard of care for a subdivision, neighborhood, or community;
  - t. Permitted or otherwise ignored criminal activity affecting Hedingham;
  - u. Permitted armed and dangerous persons to walk through the subdivision, including common areas;
  - v. Permitted unauthorized, armed and dangerous persons to roam the subdivision with firearms; and
  - w. Failed to pursue a known, dangerous person who posed a threat and imminent harm to residents and lawful visitors of Hedingham, even though she had the authority, jurisdiction, and duty to so do; and
  - x. Was negligent and grossly negligent in other ways that will be proven at trial.
175. On October 13, 2022, and before, Defendant Locke voluntarily undertook a duty that she and other security personnel of Defendant Capitol Special Police would pursue any known, dangerous person who posed a threat and imminent harm to the residents of and lawful visitors to Hedingham, as well as to people in the surrounding area.
  176. The shootings began in the 5000 block of Sahalee Way, in Hedingham, where Defendant Locke was supposedly actively patrolling.
  177. As Defendant Locke remained unaware to the unfolding spree, crime scenes continued to crop in the Hedingham subdivision, each within minutes of the other, each marked by firing rounds that reverberated across the entire community.
  178. Defendant Locke had the duty as well as ample and reasonable opportunity to discover the active shooter spree unfolding under her watch on October 13, 2022, but she failed to do so. Instead, under Defendant Locke's watch, a home shooting grew into a mass shooting. Instead, under Defendant Locke's watch, Austin Thompson was allowed to roam freely and undeterred through nearly a mile around Hedingham, executing whoever crossed his path.
  179. Moreover, Defendant Locke not only had the duty as well as ample and reasonable opportunity to discover Austin Thompson, but upon discovering him, to react, respond, and pursue him.
  180. Defendant Locke should have never allowed Austin Thompson to leave Hedingham, she should have responded to the rounds of firing, she should have detected the active shooter, and she should have pursued him "as far as the state line." She did not.
  181. It was on Defendant Locke's representations to protect and secure, that the Decedents and injured Plaintiffs reasonably but detrimentally relied upon on October 13, 2022, and before.

182. On and before October 13, 2022, the Decedents and injured Plaintiffs reasonably relied on Defendant Locke's representations to their detriment.
183. On October 13, 2022, Defendant Locke failed to provide adequate security, failed to recognize and timely act on criminal activity, failed to warn residents and lawful visitors of criminal activity upon discovery thereof, failed to remedy security deficiencies about which she was on notice, and failed to act in a timely and competent manner—all in breach of her duty of care.
184. Moreover, upon information and belief, Defendant Locke, as an agent of Defendant Capitol Special Police, violated the Services Agreement or Contract with Defendants Hedingham Community Association and H.R.W. on October 13, 2022, by failing to provide security services at Hedingham commensurate with her assurances. The Decedents and injured Plaintiffs were third-party beneficiaries of that Services Agreement or Contract to provide security services.
185. Plaintiffs are informed and believe that prior to and on October 13, 2022, Hedingham was negligently maintained, inspected, secured, patrolled, and managed.
186. Defendant Locked knew of or, with the exercise of due care for the safety of residents and lawful visitors, should have known of the dangerous and hazardous conditions arising from criminal activity existing at Hedingham combined with the failure to maintain, inspect, secure, patrol, and manage Hedingham, were likely to result in serious injuries to residents and lawful visitors, including the Decedents and injured Plaintiffs.
187. Defendant Locked owed a duty of care to residents and lawful visitors of Hedingham, including the Decedents and injured Plaintiffs, to provide adequate security measures at Hedingham.
188. Plaintiffs are informed and believe that prior to and on October 13, 2022, Defendant Locke failed to provide adequate security measures at Hedingham in breach of her duty of care:
  - a. Defendant Locke was on notice of security deficiencies at Hedingham prior to October 13, 2022, yet she failed to remedy these deficiencies;
  - b. Defendant Locke had actual and constructive knowledge of widespread dangerous, reckless, or negligent activity existing on and around Hedingham prior to October 13, 2022, yet she failed to act on, remedy, respond to, or mitigate these activities; and
  - c. Defendant Locke had actual and constructive knowledge of the regular presence of dangerous persons at Hedingham, and knew, or should have known, that their presence presented a threat to the residents of and visitors to Hedingham, yet, Defendant Locke failed to remove these persons, including Austin.

189. Had Defendant Locke exercised reasonable care in preventing or controlling the foreseeable criminal activity of third parties, injury to the Plaintiffs and Decedents likely could have been prevented.
190. The negligence detailed in the preceding paragraphs was a proximate cause of the deaths of the Decedents and injured Plaintiffs in this complaint.
191. Each of the foregoing tortious acts and omissions constitute an independent act of negligence on the part of Defendant Locke and one or more or all of the stated acts and omission was a proximate cause of the deaths of the Decedents and injuries endured by the Plaintiffs.
192. The deaths of Nicole Connors-Howard, Susan Butler Karnatz, Mary Elizabeth Marshall, and Officer Gabriel Torres were the direct and proximate result of the acts and omissions of Defendant Locke. But for said acts and omissions, Plaintiffs' Decedents would not have died in the manner and circumstances they did on October 13, 2022.
193. The injuries suffered by Marcille Lynn Gardner and Officer Casey Joseph Clark were the direct and proximate result of the acts and Defendant Locke. But for said acts and omissions, Plaintiffs would not have been injured in the manner and circumstances they did on October 13, 2022.
194. The damages incurred from the negligence of Defendant Locke include those allowed by N.C. Gen. Stat. § 28A-18-2(b) for the deaths of Susan Butler Karnatz, Mary Elizabeth Marshall, Officer Gabriel Torres, and Nicole Connors-Howard. The Estates of these Decedents are entitled to recover all categories of damages set forth in N.C. Gen. Stat. § 28A-18-2(b) jointly and severally, from Defendants.
195. As a direct and proximate result of the acts and omissions of Defendant Locke, Marcille Lynn Gardner and Officer Casey Joseph Clark suffered severe emotional and physical pain and suffering, permanent injury, scarring, disfigurement and the loss of the normal use of their body parts. Each of these Plaintiffs continue to undergo medical treatment and endure physical limitations product of the shootings. They continue to incur medical bills both Plaintiffs will be able to return to the life they had before this shooting. Officer Clark's injuries preclude him from continuing a career in law enforcement, while Lynn continues to undergo medical intervention and treatment and suffer from serious and permanent injuries.
196. As a direct and proximate result of the negligence of Defendant Locke, the Decedents and injured Plaintiffs suffered tremendously. For purposes of establishing that this case belongs in Superior Court, the Plaintiffs claim damages in excess of \$25,000, this Court's minimal jurisdictional threshold. Realistically, the damages and loss in this case far exceed the jurisdictional amount.
197. The conduct of Defendant Locke constitutes a conscious and intentional disregard for and indifference to the rights and safety of others; a disregard the Defendant knew, or should

have known, was reasonably likely to result in injury, damage, or other harm, and the same therefore constitutes gross negligence.

198. The actions of Defendant Locke exhibited willful or wanton conduct manifesting a conscious and intentional disregard for the rights and safety of Decedents and Plaintiffs. Resultingly, Plaintiffs are entitled to recover punitive damages in the maximum amount permitted by law pursuant N.C. Gen. Stat. § 1D-15.

**FOURTH CLAIM FOR RELIEF**  
***Negligence, Gross Negligence, and Negligence Per Se***  
(Alan and Elise Thompson)

199. Plaintiffs incorporate the foregoing paragraphs of this Complaint as if fully set forth herein.
200. Defendants Alan and Elise Thompson are the parents of Defendant Austin Thompson, an unemancipated minor.
201. Defendants Alan and Elise Thompson resided in a home on the 5000 block of Sahalee Way in the Hedingham neighborhood in Raleigh, North Carolina, with their two unemancipated minors: James and Austin Thompson.
202. Defendants Alan and Elise Thompson were the owners of what police and media have described as an “arsenal of weapons,” consisting of at least 11 firearms and 160 boxes of ammunition. That “arsenal” was left out in the open in their home, easily accessible to their two minor, unemancipated children, including Defendant Austin Thompson.
203. Residents of Hedingham described Austin was a “troublemaker,” “aggressive,” “creepy,” and “off.”
204. Residents have recounted multiple occasions in which Austin got into altercations with other residents.
205. One such resident, an African American woman who lived near the Thompsons’ home, recalled Austin and Alan using racial slurs against racial minority neighbors, including herself and her young, special needs granddaughter, prior to the October 13, 2022 mass shooting.
206. Other residents complained about Austin displaying aggressive behavior towards women in the neighborhood, including towards one of the female victims of the Hedingham mass shooting on a prior occasion. That woman, Nicole Connors, had at least 34 separate pellet entrance wounds and at least 25 exit wounds. More than the aggregate of the other victims of the mass shooting.
207. Residents have described fights, altercations, and other aggressive behavior from Austin.

208. Residents recall comments from Austin and Alan Thompson about their arsenal of weapons and their desire to amass even more weapons and stockpile ammunition.
209. Both Defendants Alan and Elise Thompson knew of Austin's antisocial, racist, aggressive, and violent comments and behaviors. Despite these comments and behaviors, Defendants Alan and Elise Thompson allowed Austin unfettered access to their arsenal of weapons and ammunition.
210. At and before the time of the subject shooting, Defendants Alan and Elise Thompson left at least 11 unsecured firearms and 160 unsecured boxes of ammunition freely about the home and readily accessible to Austin, including the following:
  - a. Ted Williams, Model 3T, .22 caliber rifle loaded with fifteen .22 caliber rounds;
  - b. 10 empty boxes of Federal Premium 12-gauge shotgun shells
  - c. 1 empty box Hornaday SST shotgun slugs;
  - d. 10 full boxes of Herters 12-gauge buckshot;
  - e. 2 full boxes of Herters 9mm Luger ammunition;
  - f. Ziplock bag containing 37 Federal 12-gauge shotgun shells (red in color);
  - g. Ziplock bag containing 12 Remington 12-gauge shotgun shells (green in color);
  - h. Ziplock bag containing 11 Defender 00 buckshot shells;
  - i. Ziplock bag containing 8 Hornaday 12-gauge SST slugs;
  - j. 2 empty boxes Winchester Defender 00 buckshot;
  - k. 8 empty boxes Winchester 12-gauge Super X buckshot;
  - l. 1 empty box Federal rifle slugs;
  - m. 7 empty boxes Federal 12-gauge Power Shock slugs;
  - n. 12 empty boxes Remington Magnum buckshot;
  - o. 5 Winchester 12-gauge Super X shotgun shells;
  - p. 1 JC Higgins, Model 1017, double-barreled shotgun;
  - q. 11 Remington sportsman steel 12-gauge shotgun shells
  - r. 5 boxes Winchester Super Target 12-gauge shells; and
  - s. 3 boxes of Remington Game Load 12-gauge shotgun shells
211. Upon information and belief, during the investigation into the subject shooting, Defendant Alan Thompson admitted to police he: (a) kept ammunition in the magazine of unsecured firearms, and (b) kept loaded unsecured firearms in the home. While acknowledging these two facts, Defendant Alan Thompson conceded that keeping ammunition and firearms separately "was all about safety."
212. Defendants Alan and Elise Thompson stored their firearms in a condition that said firearms could be discharged.
213. Defendants Alan and Elise Thompson knew or should have known that an unsupervised minor, like Austin, would be able to gain access to those firearms. In fact, Defendant Alan Thompson often expressed that his sons knew how to access and use the firearms
214. Defendants Alan and Elise Thompson allowed their minor son, Austin, to access their

arsenal of weapons and ammunition without their permission, arm himself with said weapons and ammunition, and stroll through the neighborhood, shooting anyone who crossed his path.

215. North Carolina General Statute Section 14-315.1 requires adults, like Defendants Alan and Elise Thompson, residing with unemancipated minors, like Defendant Austin Thompson, to exercise reasonable care in the storage and handling of their firearms.
216. By failing to safely and reasonably store their weapons, and by failing to prevent Defendant Austin Thompson from unsupervised access to those weapons, Defendants Alan and Elise Thompson violated N.C. Gen. Stat. § 14-315.1, breached their duty of care, and were negligent per se.
217. In September 2024, Defendant Alan Thompson pled guilty to the criminal charge of violating N.C. Gen. Stat. §14-315.1.
218. The deaths of Nicole Connors-Howard, Susan Butler Karnatz, Mary Elizabeth Marshall, and Officer Gabriel Torres were the direct and proximate result of the acts, omissions, negligence, and violations of N.C. Gen. Stat. § 14-315.1 of Defendants Alan and Elise Thompson. But for said acts, omissions, negligence, and violations of N.C. Gen. Stat. § 14-315.1, Plaintiffs' Decedents would not have died in the manner and circumstances in which they did on October 13, 2022.
219. The injuries suffered by Marcille Lynn Gardner and Officer Casey Joseph Clark were the direct and proximate result of the acts, omissions, negligence, and violations of N.C. Gen. Stat. § 14-315.1 of Defendants Alan and Elise Thompson. But for said acts, omissions, negligence, and violations of N.C. Gen. Stat. § 14-315.1, Plaintiffs would not have been injured in the manner and circumstances in which they did on October 13, 2022.
220. As a direct and proximate result of the acts and omissions of the Thompsons, Marcille Lynn Gardner and Officer Casey Joseph Clark suffered severe emotional and physical pain and suffering, permanent injury, scarring, disfigurement and the loss of the normal use of their body parts. Each of these Plaintiffs continue to undergo medical treatment and endure physical limitations because of the shootings. They continue to incur medical bills, and both Plaintiffs will be unable to return to the life they had before this shooting. Officer Clark's injuries preclude him from continuing a career in law enforcement, while Lynn continues to undergo medical intervention and treatment and suffer from serious and permanent injuries.
221. As a direct and proximate result of the acts, omissions, negligence, and violations of N.C. Gen. Stat. § 14-315.1 by Defendants Alan and Elise Thompson, the Plaintiffs suffered and continue to suffer tremendously. For purposes of establishing that this case belongs in Superior Court, the Plaintiffs and Decedents claim damages in excess of \$25,000, this Court's minimal jurisdictional threshold. Realistically, the damages and loss in this case far exceed the jurisdictional amount.

222. The actions of Defendants Alan and Elise Thompson exhibited willful or wanton conduct manifesting a conscious and intentional disregard for the rights and safety of Plaintiffs and Decedents. Resultingly, Plaintiffs are entitled to punitive damages pursuant to N.C. Gen. Stat. § 1D-15.
223. The conduct of Defendants Alan and Elise Thompson constitute a conscious and intentional disregard for and indifference to the rights and safety of others; a disregard the Defendants knew, or should have known, was reasonably likely to result in injury, damage, or other harm, and the same therefore constitutes gross negligence

**FIFTH CLAIM FOR RELIEF**  
***Assault and Battery***  
(Defendant Austin D. Thompson)

224. Plaintiffs incorporate the foregoing paragraphs of this Complaint as if fully set forth herein.
225. Defendant Austin Thompson brutally and intentionally shot and killed Susan Butler Karnatz, Mary Elizabeth Marshall, Nicole Connors-Howard, and Officer Gabriel Torres.
226. Defendant Austin Thompson brutally and intentionally shot and attempted to kill Marcille Lynn Gardner and Officer Casey Joseph Clark, critically injuring and permanently disabling them.
227. Defendant Austin Thompson used the guns his father and mother, Defendants Alan and Elise Thompson, had openly left about the house to carry out the mass shooting.
228. Defendant Austin Thompson brandished his long-barrel shotgun, aimed, and in an intentional act or display of force and violence, shot each of the Plaintiffs and Decedents, in each instance creating a reasonable apprehension of great and imminent bodily harm and injury on the part of each of the Plaintiffs and Decedents.
229. Defendant Austin Thompson committed a battery upon Plaintiffs and Decedents in the following ways:
  - a. In intentionally causing bodily contact with the Plaintiffs and Decedents;
  - b. In intentionally causing physical pain and death to Susan Butler Karnatz, Mary Elizabeth Marshall, Nicole Connors-Howard, and Officer Gabriel Torres through such bodily contact;
  - c. In intentionally causing physical pain and injury Marcille Lynn Gardner, and Officer Casey Joseph Clark through such bodily contact; and,
  - d. In causing such bodily contact without the consent of Plaintiffs and Decedents.

230. The deaths of Nicole Connors-Howard, Susan Butler Karnatz, Mary Elizabeth Marshall, and Officer Gabriel Torres were the direct and proximate result of the assaults and batteries perpetrated by Defendant Austin Thompson. But for said acts, assaults, and batteries, Plaintiffs' Decedents would not have died in the manner and circumstances in which they did on October 13, 2022.
231. The injuries suffered by Marcille Lynn Gardner and Officer Casey Joseph Clark were the direct and proximate result of acts, assaults and batteries perpetrated by Defendant Austin Thompson. But for said acts, assaults, and batteries, Plaintiffs would not have been injured in the manner and circumstances in which they were on October 13, 2022.
232. The damages incurred as a result of the tortious conduct of Defendant Austin Thompson include, but are not limited to, those allowed by N.C.G.S. § 28A-18-2(b) for the deaths of Nicole Connors-Howard, Susan Butler Karnatz, Mary Elizabeth Marshall, and Officer Gabriel Torres. The Estates of these Decedents are entitled to recover all categories of damages set forth in N.C. Gen. Stat. § 28A-18-2(b), jointly and severally, from Defendants.
233. As a direct and proximate result of the actions of Defendant Austin, Marcille Lynn Gardner and Officer Casey Joseph Clark suffered severe emotional and physical pain and suffering, permanent injury, scarring, disfigurement and the loss of the normal use of their body parts. Each of these Plaintiffs continue to undergo medical treatment and endure physical limitations because of the shootings. They continue to incur medical bills, and both Plaintiffs will be unable to return to the life they had before this shooting. Officer Clark's injuries preclude him from continuing a career in law enforcement, while Lynn continues to undergo medical intervention and treatment and suffer from serious and permanent injuries.
234. As a direct and proximate result of the assaults and batteries of Defendant Austin Thompson, the Plaintiffs and Decedents suffered and/or continue to suffer tremendously. For purposes of establishing that this case belongs in Superior Court, the Plaintiffs and Decedents claim damages in excess of \$25,000, this Court's minimal jurisdictional threshold. Realistically, the damages and loss in this case far exceed the jurisdictional amount.
235. The actions of Defendant Austin Thompson as detailed in this Complaint were committed with malice and exhibited willful or wanton conduct manifesting a conscious and intention disregard for the rights and safety of Plaintiffs and Decedents, and thus Plaintiffs are entitled to punitive damages pursuant to N.C. Gen. Stat. § 1D-15. The conduct of Defendant Austin Thompson as described above was willful and wanton, and it entitles the Plaintiffs to recover punitive damages in the maximum amount permitted by law pursuant to N.C. Gen. Stat. § 1D.

**WHEREFORE**, Plaintiffs pray of the Court as follows:

1. That the Plaintiffs have and recover of all of the Defendants, jointly and severally, a sum in excess of Twenty-five Thousand Dollars (\$25,000.00) in compensatory damages;
2. That the Plaintiffs recover punitive damages from each of the Defendants;
3. For a jury trial on all issues so triable;
4. For pre and post judgment interest;
5. That the costs of this action be taxed against Defendants; and
6. For such other and further relief as the Court may deem just and proper.

This the 4<sup>th</sup> day of October 2024.
